Romania goes to Africa!

As many of you know, I flew from America straight to Zambia, Africa, where I joined our team of 9 Romanians and 7 Americans for two weeks of service projects, VBS, and fun! This trip was one of the biggest blessings for us, and as I have been reflecting over the last few weeks since we have returned home to Romania, I think I have picked out my favorite part that I would like to share with you all.

Iunia, who taught bible story, with two Zambian friends!

Five of our 9 Romanians were teenagers from our Backyard Bible Study group. Watching these teens fall in love with missions and serving was phenomenal! Because in many cases they speak English better than their parents do, they got a front row seat in teaching and

watch them go from nervous and timid to excited to get to the village each day! Not only that, but we have seen them step up in the last several weeks here in Romania as well! They are turning into irreplaceable leaders in our ministry and we are so proud of them!

Summer time= kids programs! We were blessed with a VSM team that came and served with us several days right after we got back from Zambia. We were able to do a one day VBS in several villages, including Tarian, where we are hoping to plant our next church. Please continue in prayer for this village as we host another VBS this week for four days!

May your summer be restful and adventurous and full of service to the Lord!

Prayers

- For Tarian VBS this week- our Backyard Bible Study Teens are leading and are very nervous! Pray for them as they continue to step up in faith!
- For us to make good contacts in Tarian through VBS and other programs this summer.

Praises

- Our time in Zambia was such a blessing! Our team really stepped up and did an amazing job, and we are so proud of all they accomplished in such a short time.
 - The VSM team was a huge encouragement to us!
